No-smoking seminar set for July 27

A public smoking cessation program will be held at 7:30 p.m., Tuesday, July 27 at the American Lung Association, Hudson Valley, 35 Orchard Street, White Plains N.Y.

The program is entitled "Successful Ways to Kick the Habit" and will be conducted by Joseph G. Murphy, executive director of the Lung Association. Mr. Murphy explained, "Hundreds of people in this area are still risking lung disease from smoking. We've set the meeting for a time convenient for most commuters. The Lung Association is a pioneer in the crusade against smoking. We have helped many persons to quit over the years."

The two-hour program will include a presentation on the adverse effects of smoking on a person's health; effective ways to stop; a film; a kit of materials on the smoking problem; and a question and answer period. Those wishing to attend are urged to make advance registration by calling the Lung Association at 949-2150. A \$5 donation is suggested.

The Lung Association headquarters building is located off westbound exit on Route 287, or near the bridge over 287 on North Broadway, White Plains.

MAYOR EDWARD KOCH is shown signing a bill renaming Jamaica Park at Merrick Boulevard and 119th Avenue the Roy Wilkins Park in honor of Roy Wilkins who was the executive secretary of the NAACP. Looking on are, (l) Queens Councilman Archie Spigner and Dr. James C. Hall Jr., Southern Queens Park Association Board chairman. Standing, (l-r) Lillian Moody, Emerson Tolbert, Lois Phillips, Helen Wright, Dora Young, Shirley Moore, Charles Faulding, Abdel Medhat Salam and Solomon Goodrich. (Larry Brown photo)

Hospital gets CAT scanner

By MADELINE DAVIS trying to get permission from the State Department of Health to purchase the machine since 1977, but was turned down because the department considered the facilities at nearby Booth Memorial Hospital adequate.

The CAT scanner, considered an important part of diagnostic procedures, enables the exploration of internal problems before surgery. Spokesman Don Rodda said the hospital had been

Only after the hospital's executive director, Philip Palese went to Albany seven months ago to convince the department that there was urgent need for the machine did the agency approve the purchase, Rodda said.
